

UKYP Manifesto

BY Billy Holmes

My name's Billy Holmes and I'm here to offer you a Voice in the UK Youth Parliament, I am here to give you the chance to let me know your opinions and allow them to be heard by a wider audience, so that we can change things for the better:

The Educational Maintenance Allowance (EMA), my parents don't earn that much but I still can't get anything from this scheme. I don't think this is fair and this is made worse for some, by having to pay for the bus to school, so not only am I not paid for doing well in school, I have to pay to get there. Some of us may need to get a job to pay for this, how can our teachers not expect our work to suffer? I'm here to help make life easier for you. Do you know what you're entitled to? I hope to work towards making financial advice free and easily-accessible in schools. This is just one of my ideas, but I want to hear from you.

I've heard from many people that Litter is a problem. Who ISN'T fed up with the amount of it scattered around school? Help me to help you do the right thing, I plan to make improvements regarding the number of bins in school, and making sure that they are in the right places.

I'm for power to the pupil, we're all people, we're all here, we've all got ideas, and how do we get those ideas heard? How do we do something about them? I want to hear from you, what do you want to change about school? I plan to put suggestion boxes around my school, but you can send me your e-mails 5william.holmes@nortonhillschool.com, or come and talk to me. I'm happy to hold meetings with you, anyone can attend, and I'll provide the biscuits.

I'm here to put YOUR ideas forward, but before WE can do anything I need YOUR vote! Vote for me, Vote for a voice, Vote for Power for the Pupil.
