

## Manifesto

Hi, I'm Natalie Dunn, and I am Writhlington School's nominee for the Youth Parliament. I'm 14, I have lots of interest in music and art and really enjoy being able to express my opinions and emotions through music. I feel that I am a good listener and I can relay ideas on what needs to be changed quickly and effectively. I have strong opinions of what the Youth Parliament should change, having experienced many of the inconveniences that teenagers today are dealing with. My policies include prices for public transport (should we really pay so much for our short distance travels?), bullying and insecurities in and out of school – no one has the right to mistreat another person, and the teenage image portrayed by the media; we deserve respect!
