

Radstock Youth Hub Autumn Program

If your 12-19 yrs old these activities are for you!
All sessions take place 7pm-9pm and cost 50p.
Your first visit is free!

Autumn Projects:

The Big Draw, Radstock youth centre is taking part in a national drawing project. During the sessions young people will have the opportunity to add to a massive piece of art work. So come along and get creative, for more information check out:

<http://www.thebigdraw.org/bigdraw/>

Cookery competition, Improve your cookery skills in this “ready, steady, cook” style cooking challenge. Over four weeks learn more about cooking and budgeting. At the end of this project we will be taking a trip to a restaurant to celebrate the winners and all who took part.

Issue based sessions, Take part in discussions and activities on mental health, sexual health and Alcohol misuse.

Community Gardening, Take part in designing and planting a flower bed for the community. Planting the bulbs now will make for a beautiful spring display in the centre of Radstock. To celebrate this project the participants (who take part in every session) will be offered a place on a celebration trip go-carting.
